W. D. POSTON

BROWNSVILLE, TENNESSEE

Monday, February 23, 1959

113 HEAD SELL AS 86 LOTS

20 Bulls

43 Cows

23 Bred and Open Heifers

27 Calves at Foot with Their Dams

ON THE FRONT and BACK COVERS . . . of this catalog. Dr. Poston's ten head group at the 1956 National Shorthorn Show, Memphis. Most of these are still in the herd and will sell in this complete dispersal.

Lady Nunndale Favorite 2nd. Grand champion female, 1955 Mid-South Fair, Memphis. Sire: Lo Mar Favorite. Sold in the Dilatush-Poston sale for \$1,000 to Edellyn Farms, Wilson, Illinois.

GENERAL SALE INFORMATION

Time—Sale will start promptly at 12 Noon Central Standard Time, Monday, February 23, 1959. Lunch will be served from 11 a.m. on by a church auxiliary.

Location—The W. D. Poston Farm located two miles southeast of the city limits of Brownsville.

Sale Headquarters—There are excellent motels in the Brownsville area. Two that we would suggest are the Brownsville Motel and the Skyview Motel. You may make your reservations directly with them or we will be glad to do it for you.

Auctioneers—C. D. Swaffar, Tulsa, Okla., H. P. Miller, Danvers, Ill.

Terms—The terms of this sale are cash. Your check should be given to the clerk immediately following the sale. All stock will be at buyers risk as soon as bid off, but we will assist in loading on trucks. If buyers wish you may leave your cattle at our farm for a period long enough for you to send trucks from your own locale. Good truckers are available in the Brownsville area.

Liability—While every effort will be made to protect the safety and comfort of those attending, all who attend this cattle sale do so at their own risk. The owner, sale manager, clerks, auctioneers cannot be responsible for accidents that may occur. The sale manager was retained for specific tasks, promotional and clerical, and has nothing to do with the condition of the premises, handling of the cattle, fulfillment of guarantees, or possible errors in records or health papers. Where footnotes appear in the catalog they were furnished by owner or from information furnished by owner.

Registry—Registration certificates, properly transferred to the new owners, will be supplied for each animal sold. Breeding certificates will be supplied for all calves in dam.

Guarantee—Since this is a complete dispersion, the cattle will be sold without guarantee, as is the custom in dispersals. The Bivin and Parks cattle will be sold under the Standard Guarantee. Three show heifers in the Poston group will be sold guaranteed. Their lot numbers are noted below.

Pregnancy Examination—A competent veterinary will be employed by Dr. Poston shortly before the sale to diagnose pregnancy. His finding will be made public on sale day through a supplemental sheet. All announcements made from the auction block supercede any written material supplied before the sale.

Health—It has been the practice to vaccinate calves for Bangs in the Poston herd. Any exceptions to this will be announced. All cattle will be tested for T.B. and Bangs within 30 days of the sale, with the exception of those that need not be tested by virtue of their Bangs vaccination. Interstate health papers will be supplied. The laws of Tennessee will prevail, and should these differ from the laws of the state of the buyer, it becomes the buyer's obligation to be aware of these differences before making purchases.

Farm Phone—Brownsville 504.

Herd Manager—Billy Barnhart.

Special Guarantee—Three of the heifers from our 1958 show herd were scheduled to be key members in our 1959 show herd. Not wanting to have them calve in the middle of the show season, it was our plan to breed them this spring. They have never been exposed to a bull. We have never had any difficulty getting our show females in calf. However, to settle any doubts that might be in the minds of buyers on these three females we are selling them guaranteed. They are LoMar Clipper 12th, Lot 42; LoMar Clipper 19th, Lot 43; and Lady Nunndale Favorite 23rd, Lot 48.

Dr. W. D. Poston proudly displays two daughters of LoMar Favorite bred at his farm. These were sold in the 1956 Dilatush-Poston sale.

The decision to disperse our Shorthorn herd, was not reached quickly. As a matter of fact, I have felt it coming for some time, as my doctors have been urging it. They knew I could not be in this business in a passive way, and if I stayed in, I would continue to travel widely to the shows and sales with our cattle. Following a long seige in the hospital this fall, there was no opportunity to avoid their appeals any longer.

There has been no project closer to my heart than the Shorthorns. I believed in the breed, long before I owned any registered cattle, and always will. I wouldn't take anything for the many friends Mrs. Poston and I have made in this business. We have enjoyed tremendously taking an active part in breed promotional affairs, and in particular the activities of the Tennessee Shorthorn Association, and also, the Mississippi and Louisiana Associations, to whose sales we have consigned frequently.

A production sale was planned well over a year ago. It was our plan to make this the first in a series of annual events. Last spring we asked Ralph Bivin, our good friend and prominent breeder from Waverly, Illinois, to participate with us in this first sale. He immediately began setting aside cattle for this sale, and despite the fact this is a dispersion of our herd, we urged him to participate anyway. We know his well bred consignment will make friends for the breed in their new homes. A promising young son of Calrossie Armada will also be sold by Sherrill Parks.

This herd has been profitable and prolific. We are certain they will be for their new owners. With the exception of the show herd, the cattle will sell in breeding condition.

W. D. Poston

Four daughters of Edellyn Royal Leader 93rd in the C. F. Turner & Son herd, Toney, Ala. These were all bred by and purchased from Dr. Poston. All were bred heifers when sold, and all had top calves to the service of LoMar Favorite. Just one of the many herds strengthened through purchases from the Poston herd.

The Poston herd was founded in 1947 with the purchase of the entire herd owned by James Gillis, Rio, Illinois. This was a select herd of brood cows, highly regarded in Illinois. They had concentrated on Edellyn bloodlines for years and were using two direct sons of the Perth champion, Calrossie Mercury. In 1949, Dr. Poston decided to continue this line in his herd and at the Edellyn sale purchased Edellyn Royal Leader 93rd, a son of Edellyn Royal Leader and out of a Calrossie Mercury dam. This bull proved a highly successful sire. His calves developed well, won many championships, and many of the females in the herd today are daughters or granddaughters.

Dr. Poston told me soon after to always keep my eye out for a really top bull for him. He indicated he would be willing to pay what it took to buy the best. In 1952 I saw this bull at LoMar Farms, Sharpsburg, Illinois. I considered him the best son of the International grand champion, Kelburn Banker Royal. Dr. Poston came to Illinois, bought him for \$4,500. That was how LoMar Favorite came to Tennessee. He has sired more champions and top sellers in this area than any other bull in modern times. It is blood that is breeding on.

This made the job of selecting a bull to follow LoMar Favorite even more difficult. In 1955 Dr. Poston bought two bulls at the Mathers sale. He paid \$3,700 for the thick, short-legged imported-in-dam Baron Leveldale, and \$5,200 for Leveldale Asset, a ten month old calf. Asset went on to stand second in a class of 31 junior bull calves at the International that year, being defeated only by his half brother. It is unfortunate this herd must be sold at this time, because the Leveldale Asset calves made their first appearance on the show circuit this past fall . . . and were sensations. No doubt about it . . . someone will buy a great sire . . . and many others will buy extremely valuable calves in dam by him.

I have rambled on about the cattle and haven't left the room I planned to express my feelings about Dr. and Mrs. Poston. They have been fine friends. No couple has worked harder in the interests of the breed . . . and this is saying a great deal, because we have many wonderful people in the Tennessee Association. I have always appreciated Dr. Poston's determination to breed the best. The breed owes him a great deal for campaigning his show herd, year in, year out, making a more powerful display for the breed everywhere they have been exhibited.

This picture was taken at the 1958 International Livestock show, Chicago. Judge Carlos Duggan from the Argentine is shown studying LoMar Favorite 32nd, the roan bull third from the right. This bull placed fourth in this strong class. This was the first occasion in modern times when a Shorthorn herd from Tennessee exhibited at the International.

Show records don't mean everything . . . but they are a very good yardstick of the strength of a herd . . . the potence of the herd sires.

Year in year out, the Poston show herd has been the leading money winner of the major Southern show circuit. Hundreds of cattlemen have admired them. Countless judges have pronounced them the proper type. They have stood the test of the breed's strongest competition.

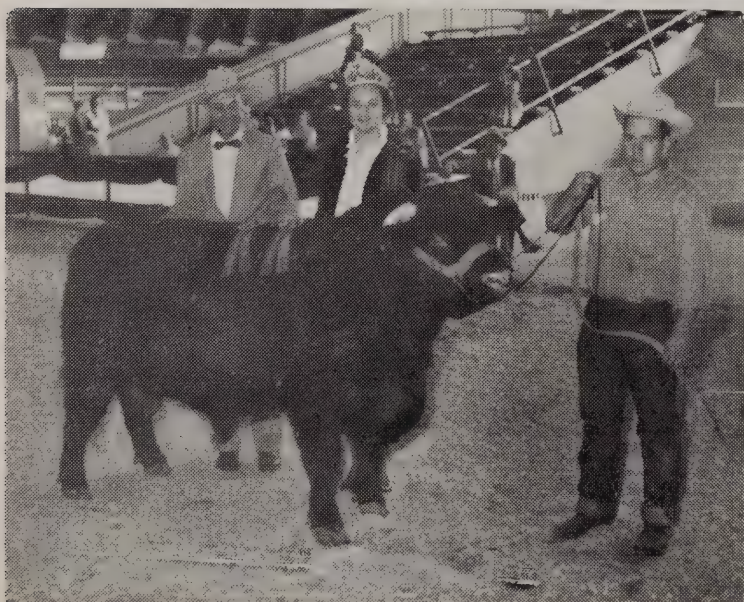

Now at the height of its power this herd is to be dispersed. Practically all of the members of their winning show herds of the past still remain in the herd. The herd sires and brood cows that produced them will also be sold.

Only in the dispersion of a top herd are buyers given the opportunity of buying the tools that did the job.

Lady Nunndale Favorite 23rd, shown winning the grand championship of the 1957 Mississippi State Fair. grand champion many times in 1957 and 1958. She sells as Lot 48.

Best pair bull and female, 1958 Tennessee Fall sale. Both from the Poston herd. The bull sold to M. E. Wilson, Oneonta, Alabama, the female to L. E. Eichenbeger, Belvidere, Tenn.

LOMAR FAVORITE—Possibly the most important purchase we have ever made. This bull was bought at private treaty for \$4,500 in the summer of 1952 and by 1954 we were already beginning to show his calves to important winnings. Since that time, there has hardly been a fair in the South where his get has not dominated the show. He has sired countless champions and top sellers at the Tennessee sale and other sales throughout the South. He is generally regarded as the best breeding son of the International grand champion Kelburn Banker Royal. His mother was the grand champion female of the Pike County sale and a double-bred Lawton Favorite, a bull that worked great improvement. Although this bull is nine years old, I feel he still should be offered in this dispersion and that some man with a good herd can put him to excellent use.

LEVELDALE ASSET—Truly one of the great young bulls of the breed, and one of the outstanding bulls to be sold in 1959. Although he has just passed his fourth birthday, already he has made a splendid record as a sire. His senior and junior gets placed first at the 1958 Alabama State Fair, the fairs at Atlanta and Nashville. We purchased him for \$5,200. His dam also produced a \$3,900 heifer. Leveldale Asset stood second in the junior bull calf class of thirty-one to his half brother Leveldale Liberal. A third half brother is making a great record in the herd of Arnold & Brooks, Sterling, Illinois.

BARON LEVELDALE—This bull was purchased in the 1955 Mathers sale for \$3,700. He placed seventh in a class of fifteen junior yearlings at the 1955 International and won his class at the 1956 National Shorthorn Show in Memphis. His dam is a direct daughter of Calrossie Good News and is considered one of the very best cows in the Mathers herd. This is the same family as Leveldale News Flash, \$8,200 International reserve junior champion. He is a very thick, low-set bull, and if your cows are too tall, he can certainly correct the situation. You will see many good calves by him at our farm.

HILMAR AUGUSTUS MONTY—A promising calf we planned to develop for the shows this coming season. A grandson of Marshall Monty out of one of those good Kirkton Gambler daughters. His papers are not back from the Association.

The Cow Herd

The dispersion of any top herd always provides convincing evidence of the importance of key female purchases. In 1949 Dr. Poston purchased two of the best cows in the dispersion of the F. S. Davidson Elmhurst herd, in Ohio. In the Poston herd today there are thirteen female descendants selling as separate lots, plus two bulls. (See lots 27-39). Females from this family simply were not offered for sale.

You can add improvement like this to your herd by purchasing in this dispersion. When the cost of one female is amortized over all her female descendants working for you over the years, it becomes obvious that it isn't the original cost that matters, it is what you take home.

This Elmhurst example is just one of many you will find by studying this catalog. In the past two years Dr. Poston has added a number of other top females with the idea of establishing more such families. You will find four outstanding females bought in W. E. Giddens dispersion of the Maclyn herd in 1957. Three of these have bulls in the sale, one a heifer. This is your opportunity to capitalize on Dr. Poston's own plans for the future.

Do not come to this sale expecting to see fitted cattle. The cow herd has been kept in breeding condition. This is the condition that has enabled them to be prolific and profitable. No effort will be made to change this.

ROSEWOOD CORA—One of several good cows that we purchased in the Maclyn dispersion held in 1957 at the W. E. Giddens farm. She cost \$950. She had originally been purchased in Scotland for \$2,000. Bred in the famous Uppermill herd. A daughter sold for \$725 in the Maclyn dispersion. Her son, by Calrossie Ocean Wave, sells. She sells bred to Leveldale Asset.

Above, two typical daughters of LoMar Favorite are posed beside the Poston trailer. Dr. Poston has campaigned his Shorthorns over thousands of miles to exhibit at Southern shows.

ELMHURST AUGUSTA 22d—Certainly one of the best purchases we ever made. Four daughters, two granddaughters sell. This cow has some age, but any calf taken out of her would far more than pay the bill. A daughter of Naemoor Magnate, a great imported bull used by F. S. Davidson and one of the few direct sons of Cruggleton Prince Bob ever used in North America. We bought this cow in the Davidson dispersion in Ohio. Bred to Baron Leveldale.

No herd has won as many championships at the Tennessee Shows and Sales as have the cattle consigned by Dr. Poston. The bull at left was their grand champion at the 1957 Spring sale.

A WORKING HERD

This is a working herd . . . we have found the best way to get big calf crops was to keep the breeding females in breeding flesh. Do not come to this sale expecting to see a fitted cow herd. This dispersion was decided upon in late December. We had neither the time . . . nor did we believe it good practice . . . to fit the cow herd. They are in the healthiest of condition . . . ready to go to work and make money for you.

JUGGLER'S ROSEWOOD x—We wanted to have a few good polled females on the farm to breed to our good herd bulls and picked this one at the 1956 International Polled sale in Chicago. Her sire was exported to Australia at a high figure. Deeply polled on both sides of her pedigree, she is bred to Leveldale Asset.

Louada Fearless

Unretouched snapshot of Louada Fearless, recently acquired by Ralph Bivin from The Hickories, Par-deeville, Wisconsin.

The Connieland Consignment

Ralph W. Bivin, Waverly, Illinois

This sale was originally planned as the first of an annual series of production sales. Early last spring we invited our good friend and well known breeder, Ralph W. Bivin, Waverly, Illinois, to participate in this sale. Immediately he began making plans and started to set aside top cattle. When in late December we had to make this a dispersion, we urged him to bring his cattle on as originally planned. We know they will be a credit to the sale and they will do well for their new owners.

Ralph Bivin has been breeding registered Shorthorns ever since his club calf days. His herd today is one of the very best. His consignment will feature the get of Marellbar Preformer, purchased for \$5,100 from Marellbar, and Connieland Mandarin, American Royal reserve senior champion.

This fall Bivin pulled off one of the smartest transactions of the year in purchasing Louada Fearless from The Hickories, Pardeeville, Wisconsin. His bull calves have averaged over \$1,000 and The Hickories have kept about 40 daughters. Louada Fearless is one of the best bulls bred at Louada, where they have four full sisters in their herd.

Four of the Bivin females are bred to him.

Our good neighbor Sherrill Parks, Obion, Tennessee, who has been buying and breeding top cattle, also planned to consign. He has one excellent bull, a son of Calrossie Armada bred at Louada, that will be sold.

Tennessee Lassie Queen Beverly Faye McDonald presents Joye Hix, Winchester, with award for her grand champion heifer Tennessee Junior Heifer Show. This heifer, Connieland Pauline 10th by Marellbar Preformer was bred by Ralph Bivin and sold in his guest consignment to the Tennessee State Sale. She was the reserve senior champion at the 1958 Alabama and Mid-South fairs.

Connieland Mandarin, reserve senior champion,
American Royal, Kansas City. Bred by Ralph W.

CONNIELAND SENATOR—We have a choice group to select from in our summer bull calves this year and this is one of our best. He could go far in the show ring and has a right to as his sire was many times a champion and the reserve senior champion of The American Royal in Kansas City. His mother is one of our top females.

CONNIELAND AUGUSTA 20th—This is one we should never sell. A top pedigree. Bred to Louada Fearless. A really outstanding heifer that is not fitted. We purchased her mother in the Elcona dispersion. Her calves have all sold readily, and she is a stand-out female in our herd. The sire, Marellbar Preformer, was a great calf himself and has left us many good ones. His half brothers have made their mark in the top herds of the nation.
